TOURS

University of Nevada - Reno

Spend a semester traveling to **24 colleges and 48 high schools** delivering the pro-life message Mondays through Thursdays.

We are looking for a few righteous young people, who are passionate about their relationship with God and **want to take that message** to the high school and college campuses.

Fresno City College

Butte College

Do you want to develop the skills to take on the secular worldview with the Christian worldview? We will prepare you for the battle to engage the culture.

This could be you... trained in apologetics, ready to defend the Faith and proclaim the logical and reasoned truth about abortion and the Christian Worldview.
